***Our Mission:*** To ensure the rights of all persons with disabilities to live and function as independently as possible in the community of their choice, through supporting individuals' efforts to achieve control over their lives and become integrated into community life.

***Our Goal:*** Independent living is an individual's right to choose his/her own lifestyle in the community of his/her choice and to be ultimately responsible for that choice. The goal of Society's Assets is to offer a variety of services that can meet an individual's needs.
